Collin Chisholm

Junior Web Developer

👤 Profile

Dedicated to great customer service and being a successful entrepreneur. Began thinking about successful marketing and business ideas at a young age when passing out flyer's to my neighbors offering to sell their unwanted items. I believe team work is very important and I want everyone around me to be successful. I was the senior team captain for the Layton High School golf team in 2019 and enjoy leading a team. I previously worked for Prime Communications working as a Retail Sales Manager, and I graduated from the University of Utah Full Stack Web Development boot camp in February 2020.

💼 Employment History

Retail Sales Manager at Prime Communications, Sandy

August 2019 — December 2019

Started at the manager position in August 2019 working at the AT&T authorized retailer in Sandy, Utah. At this location I had one employee, but was eventually moved to Orem, Utah in October, here I had 4 employees. Manager duties consisted of making the schedule, daily management operations, meeting store wide sales goals, dealing with cash, and providing excellent customer service.

Retail Sales Consultant at Prime Communications, Layton

March 2020 — July 2020

As Retail Sales Consultant, my job was to execute customer requests, up sell customers and meet my individual sales goals.

🎓 Education

Web Development, University of Utah, Sandy

August 2019 — February 2020

Attended a six month full stack web development program that is held by the University of Utah. The program is fueled by "Trilogy Education Services, a 2U, Inc".

High School Diploma, Layton High, Layton

August 2016 — May 2019
